**Action Plan for Mission LiFE at High Commission of India, Wellington**

Following are the proposed action points in respect of this High Commission for the Mission LiFE awareness campaign from Monday 24<sup>th</sup> – Friday 28<sup>th</sup> July 2023:

**1. Energy Saved: SAVE ENERGY CAMPAIGN**

- (a) Mission to use LED bulbs / tube-lights.
- (b) Switch off all the electric appliances when not in use & keep temperature of Air Conditioners to 24 degrees.
- (c) Use public transport or carpooling with friends and colleagues wherever possible.
- (d) Switch off vehicle engines at traffic lights.
- (e) Use the stairs instead of an elevator wherever possible.
- (f) Keep your electronic devices in energy-saving mode.
- (g) Use smart switches for appliances which are used frequently.

**2. Water Saved:**

- (a) Fix leaks in flushes, taps and water pipes of the High Commission.
- (b) Turn off running taps when not in active use.
- (c) Reuse water from washed vegetables to water plants and other purpose.
- (d) Do not discard unused stored water every time there is fresh water coming in taps.
- (e) Use buckets instead of hose pipes to water plants/ floors/ vehicles.
- (f) Fix leaks in flushes, taps and waterpipes.
- (g) Use water-efficient fixtures for taps, and showerheads, and toilet flush units.

**3. Single Use Plastic Reduced:**

- (a) HCI Premises to be Single Use Plastic Free Zone.

**4. Waste Reduced (Swachhata Actions):**

- (a) To set printer default to double-side printing.
- (b) Buy paper products made from recycled paper.
- (c) Do not discard waste in public spaces.
- (d) HCI to use organic manure for its garden at India House.
- (e) Recycle and reuse old newspapers, magazines and repair old unused furniture.
- (f) Upload Mission Life circular on Mission's website and social media handles (viz. Twitter, Facebook etc.)
- (g) Practice segregation of dry and wet waste at homes.
- (h) Donate old clothes and books.

**5. Healthy Lifestyles adopted:**

- (a) Plantation of trees to reduce the impact of pollution - Plantation of trees.

(b) Encourage use of millets in food and indigenous herbs and medicinal plants for nutrition and well being.

(c) Prefer consuming natural or organic products.

#### **6. Sustainable Food System Adopted:**

(a) Promotion and use of Millet Food in all HCI programmes.

(b) Include millets in diets through Anganwadi, Mid-Day meal and PD scheme.

(c) Prefer locally available and seasonal foods.

(d) Use smaller plates for daily meals to save food wastage.

#### **7. E-Waste reduced:**

(a) Repair and use electronic devices over discarding the devices.

(b) Discard gadgets in nearest e-recycling units.

(c) Use rechargeable lithium cells.

(d) Prefer cloud storage over a pen drive / hard drive.

#### **8. Screening of Mission LiFE videos on loop in our Business Centre to bring awareness.**
