As you know, at the 2021 UN Climate Change Conference (UNFCCC COP26), the Hon'ble Prime Minister of India, Sh. Narendra Modi announced Mission LiFE (Lifestyle For Environment) to bring individual behaviors to the forefront of the global climate action narrative.

2. In connection with the observance of Mission LiFE 2022-23 being launched in the 75th year of India's independence, the individual LiFE actions in Energy Saved Category are identified as follows:

- i. Use LED bulbs/ tube-lights
- ii. Take the stairs instead of an elevator wherever possible
- iii. Keep temperature of Air Conditioners to 24 degrees

3. All members of the Mission are requested to follow the above individual LiFE action in their daily life activities.
